Additions to Agenda	Solo Fest Wrap Up: Kim thanked all parent volunteers. We could not have done this without you. Nice feedback from teachers, and NYSMA zone rep. 17 districts participated. We need a volunteer parent helper for hospitality for next year. Great participation and wonderful experiences for the students.
Treasurer's Report	<p>Checking Account: \$7,802.70 (outstanding \$1,782.50); Savings \$7,893.85; have not had many requests recently; are there big ticket items we should be considering...</p> <p>Discussions about sound systems; trained people make the difference; currently HF-L does not have anyone trained at that level of expertise</p> <p>Perhaps we should have Applied Audio evaluate our system? Ken will investigate, and bring information to our next meeting. Music teachers will discuss this as well.</p> <p>Discussion about the purchase of risers to make the High School stage work better for large groups. Prices range from \$3500-10,000. Music Boosters might be able to purchase these.</p> <p>Discussion about the cleaning up the back wall so it could be "pretty up" for concerts without the curtain making us lose five feet of stage space.</p> <p>Discussion about extending the stage to provide more stage space. This seems to be a problem for performances with the elementary groups.</p> <p>Milt Mashner will contact Don Mellema for thoughts and ideas.</p>
QED/Budget Update	Program Evaluation document is being prepared. We will share Music Boosters to listen and read to the program evaluation.
Poinsettia Sale	We need a poinsettia volunteer chair person. Lauri Hofmann and Suzanne Marcellus may do it with help from Nancy Middleton. We need Anne Reifsteck to transfer information.
Gems and Stones	We may want to do this at some time.
