Music Boosters Meeting 4.05.11

| | |
|---|---|
| Attending: | Nancy Middleton; Blake Held; Ken Kreuzer; Stacey Dioguardi; Suzanne Marcellus; Steve Lau; Ken Goold; Kristine Thompson; Denise O’Kita; John Farrell; Mark Borden; Dan McCarthy |
| Agenda Items | Mark submitted an agenda. |
| In-house Solo Festival | Boosters assists in various support activities – manning tables; food sales, etc. |
| Boosters Budget Treasurer’s Report | Savings: \$7,912.22; Checking: \$8,946.83 (Nancy Middleton reporting.) |
| QED/Budget Update | Mark reported about the budget for next year. Please refer to the District website for more detailed information. Budget Vote: May 17. http://www.hflcsd.org/district.cfm?subpage=537857 |
| Spaghetti “Skedi” Supper | \$1600 net profit; 250 people. We planned for 200! We need more spaghetti and more sauce. HS students donate pasta and jars of sauce; perhaps more for next year. Pay pal donations? A consideration. No negative feedback to date. Lots of praise, good feelings and smiles. People liked the homemade desserts. Great idea. Raffle did not make a lot of money. |
| Sound System – Sound Board Update | Still in progress. Applied audio has submitted quotes. Renee Williams, Assistant Superintendent, is looking toward some Capital Project money to cover the costs with some help from Boosters. Some additional microphones. Mounting antennas on back wall of auditorium instead of on each microphone. Training for operating new system is also part of the update. Principals Please Note: Principals should tell the audience to turn off cell phones so the sound system does not receive interfering signals/frequencies and interrupt the performance. |
| Sound Fusions 2 2012 | In the planning stages... Ken Kreuzer finished the flute sonata. Joanna from the Eastman commissioned Ken to do the piece; Joe Werner; Jared Lau; and others from the Eastman to play with students. If others have original compositions, that would be a welcome addition as well. More advanced planning and advertising will help get people to the free concert. |
| Dallas Brass, a quintet http://www.dallasbrass.com/ | Considering a April 12, 2012 performance here in HF-L. Atlas Music sponsored the activity that Mark Borden attended. Cost is \$8,500 for a workshop rehearsal with students and a concert to follow in the evening. A possibility for next year? Any grants available? VIP seating? Business sponsors? ... NY Foundation for the Arts...Rochester Community Foundation... |

Music Boosters Meeting 4.05.11

| | |
|--------------|---|
| | Mark will check into possibilities. Ken said they were “unbelievable players!” |
| Open Forum | <p>Long Range Planning. Nancy mentioned that Music Boosters might want to ask teachers what they need, and what we can provide to them. Equipment? Sound system? Other needs? We should put this on the agenda, perhaps in the beginning of next year.</p> <p>Daniel Bennett, closing Art show at Rabbit room; performs on April 23.</p> <p>Chorus Trip, April 27 – May 1</p> |
| Next Meeting | May 3, 2011 DTBA 7 PM |
